Desborough Town Football Club

Desborough Town Football Club was formed in 1896 and is rapidly approaching its 125th anniversary. The club has been an ever present in the United Counties League playing home games at The Waterworks Field on Braybrooke Road.

Now boasting an excellent social club and changing facilities the club are looking to raise the standards already set on the pitch with Reserve and Youth teams returning next season.

At half time why not get something to eat or drink from the recently rated 4 star kitchen. Tea, coffee, soup, burger or bacon roll are all available here.

With the season concluding at the end of April DTFC have 3 home games remaining and the support of fans, home and away, can play a pivotal role, not only on the pitch but also in the clubhouse. New supporters are always welcome so why not join us on Tuesday 10th vs Wellingborough Town and Saturday 14th against Leicester St Andrews. Our final home game sees us take on Eynesbury Rovers. This game will take on a 'Pay what you want' offer, so it's the fans choice of entrance fee. We hope this will attract fans of all ages, new and old, creating a good atmosphere for the players as they push for a top 6 finish.

As with most clubs at this level we rely on outside sponsorship to keep the club going and are always on the look out for new sponsors. If you are interested in sponsoring Desborough Town FC next season then please email Nathan Mitchell at:

njmitch75@gmail.com
and follow us on Facebook too.

We look forward to seeing and hearing from you all and hope the 2018-19 season brings more success.

SATURDAY 23RD JUNE, 2018

Corby Town Football Club, Steel Park, Jimmy Hane Way, Corby

Corby Town Football Club are pleased to announce their first all day music festival on Saturday 23rd June, 2018 at Steel Park, Corby.

On the day there will be over 30 mainly local acts, but Steelfest is excited to announce two fabulous headliners.

'The Farm' will again be performing in Corby, over twenty years after their million selling album **Spartacus** reached No 1 in the UK album charts.

The legendary Liverpool band had eight top forty hit singles in the UK including Groovy Train and All Together Now that were a soundtrack for a generation and will be playing with their original line-up.

Penultimate headliners, 'Big Minds', are a mix of old and new members of Big Country, Simple Minds & China Crisis.

Playing 80s classics such as 'In a Big Country' 'Waterfront' and 'Chance', 'Big Minds' add perfectly to the mix of styles and genres on display at Corby Town's fabulous ground. Local bands, The Fevers, Owaysis tribute, Shadow on the Sun, Dirty Money and Solarise, complete the 'Grandstand Stage' line up.

Specialised music fans will be further served with Alternative Indie and Dance Tents brought to you by the 'Audio Unity' team. Headlining the dance arena will be jungle and DnB legend 'Kenny Ken' with 'MC Juiceman' on the mic... one not to miss!

Acoustic and spoken word lovers are able to see more local acts in the Steelman Bar.

A warehouse Drum and Bass after-party is also taking place on the premises until the early hours in the morning, for those who want to party on.

500 online early-bird tickets are on sale from today via Steelfest.co.uk and paper tickets, from a variety of outlets, please check the website for more info.
