# ARE ALTERNATIVE CURRENCIES ABOUT TO BECOME MAINSTREAM?

Most businesses have spare capacity from time to time. Hotels have empty rooms, shops have unsold stock and consultants have spare appointments. BBX offers a way to convert this capacity into profit, by actively bringing new customers through its trading platform.

Many people think this sounds too good to be true, so we asked Mandy Swift to talk us through her experience of using the "BBX pound". Does it really work? Mandy is a no-nonsense marketing consultant who specialises helping small businesses improve sales. She's been a client of BBX for over 3 years.

BBX UK, PROUD SPONSORS OF THE VENUS AWARDS

## Why did you join the BBX network?

"BBX provided me with an affordable way to grow my business when I didn't have cash in the bank to invest. It helped me to afford a little leisure time too!" Mandy was attracted by the ethos and family culture of BBX. "I started by selling marketing consultancy and done-for-you marketing packages. My BBX broker genuinely worked on my behalf promoting my offer and finding me clients from the BBX network. I'd gained a new platform and a new sales rep!"

On Saturday 15 July, Party in the Park rounded up Dunstable's Summer of Music Events. Throughout the course of the day there was around 5000 visitors enjoying **Grove House Gardens** with all its attractions.

On stage, there was a wide range of live entertainment with the much loved Magic Dave the children's entertainer kicking off the show with his interactive sets and delighting the younger audience.

Following on, performances by community groups HOT Academy and the Bees Cheerleaders were also well received with their singing and dancing performances.

Throughout Grove House Gardens there was much to see and do for all ages. This ranged from the free KidZone area that included water zorbing, Tony's Reptile Show and circus skills to Bedfordshire Pony Rides, Wrayfield Dog Agility, bumper cars, welly wanging, crafts and charity stalls, food and drink vendors to games stalls and fun fair rides.

This family based event organized by Dunstable Town Council sponsored by Deakin-White Estate Agents was enjoyed by a variety of visitors with a wide range of activities and attractions to cater for all.

## PROTECT YOURSELF ONLINE: OUR TOP TEN TIPS

If you're new to the internet, or already use it to take advantage of the huge variety of things it can do to make life easier, we'd like to help you to stay safe online.

Here are our top tips to help you to protect yourself, your money, your identity and your devices:

1. Choose, use and protect your **passwords** carefully, and use a different one for every online account in case one is hacked. Don't use a name or dictionary word. Use at least 8 digits, with a mix of upper & lower case letters and numbers, possibly an acronym of a meaningful phrase. Remember, your email, if compromised, could be used to reset all your other passwords – so ensure your email password is strong and unique.
2. Look after your **mobile devices**. Don't leave them unattended in public places, and protect them with a PIN or passcode/fingerprint.
3. Ensure you always have **internet security software** loaded on computers and a similar app on your mobile devices, kept updated and switched on. Remember that smartphones and tablets can get compromised too. Download software and app updates as soon as possible, they may contain vital security upgrades to keep your device and data safe.
4. Don't assume **Wi-Fi hotspots** in places like cafes or hotels are secure - never use them to do anything confidential, like using your email or making a payment. Instead, use 3G, 4G or a VPN (virtual private network). Ensure your home Wi-Fi has a strong password security code.
5. Never reveal **too much personal or financial information** in emails, on social networking and dating sites, or in person. You never know who might see it, or use it. Identity theft is increasing. Always dispose of sensitive documents, bills, or addressed letters by shredding or confidential waste. Avoid posting that you are away from home on social media.
6. Take your time and **think twice**. Beware that online or on the phone, **people aren't always who they claim to be**. Fake emails and calls are common ways for fraudsters to approach their victims, so if you're unsure, research them online or call the company using the published number. Remember - if something seems too good to be true, it probably is.
7. **Don't click on links in emails**, posts, tweets or texts – and **don't open attachments** if the source isn't 100% known and trustworthy, or if it seems strange you'd be receiving them. Clicking on a bad link could upload malicious software, which could result in data loss, financial loss or even lock you out of your device. Never log onto your online banking or any other site via an email link – fake sites look like the real thing. Always go to your bank or other company's login page by typing their web address into your browser.
8. Never pay for anything by **direct bank transfer** – and never pay for anything via a money transfer service, such as Western Union – unless it's to someone you know personally who is reputable. Remember that credit cards offer greater protection than most other payment methods. Alternatively, use a secure payment site such as PayPal.
9. **Regularly back-up your data**, securely, to a portable hard drive or online. If your device is lost or compromised, you can then retrieve your essential or irreplaceable information.
10. For free expert advice about all aspects of staying safe online, visit [www.getsafeonline.org](http://www.getsafeonline.org).

# Dunstable Downs Golf Club

We are introducing a new and exciting opportunity for ladies to get involved here at **DUNSTABLE DOWNS GOLF CLUB**.

Our Ladies Flexible Membership is now available offering a lady's membership that allows play as little or as often as wanted. Being based on chalk we have fantastic natural drainage such that we rarely need to close.

**Why don't you come and take us at our word and come and play here this winter?**

# L&D Radio Package

**Luton & Dunstable Hospital & AM Station.** is a UK registered charity (No.282934). The radio station is broadcasting 24 hours a day, 365 days of the year to patients and staff at the Luton & Dunstable Hospital. You can hear us on your Hospedia bedside unit or tune to 1134 AM (1134kHz on Medium Wave band).

**£499** per 3 month issue  
**Thats £166.33 per month!**  
NOW THATS A MASSIVE BANG FOR YOUR BUCK!

## Why choose radio advertising?

- Radio provides excellent value for money and raises your company profile quicker than any other advertising medium.
  - It's available in homes, cars, shops and workplaces.
  - It's there 24 hours a day and unlike newspapers listeners can be doing other things while listening to your ad! They can't turn off their ears!
- Research shows that radio, along with cinema has the lowest level of advertising avoidance – people rarely switch stations, and are available to listen to any message that is relevant, creative, intriguing etc. This is a great opportunity for advertisers who want to reach out to new customers, or to tell existing customers something they didn't know. (Source: RAB)
- Radio provides the strongest memory retention of a brand or company as your message will be heard over and over again.
  - Radio is a friend

Listeners use radio for emotional reasons – to keep their spirits up, to stop themselves from feeling bored in a car or isolated while doing daily chores. This leads to them seeing radio as a kind of friend, and this is a valuable context for an advertiser to appear in. It is even more powerful when advertising extends through into branded content – sponsorships & promotions. When a radio station presenter talks about "our friends at Company X", the listener is hearing about a friend of a friend – this has a strong effect on bringing a brand closer. (Source: RAB)

### What's available?

Peer support is a very important element in the recovery process, peer support takes place when people with experience of living with a mental illness support each other towards a better well-being, as people of equal value and on a reciprocal basis, using their own lived experience to provide understanding and support to their peers.

Here at Meaningful Education, we have many years' experience working within mental health services

and seeing the benefits of how peer support can help people to take huge strides forward in their recovery. People who have experienced mental health challenges can offer privileged insight and understanding, using their own experiences to help others. The support they give can be an extremely effective complement to support given by mental health professionals.

# ANGLIA IN BLOOM AWARDS

## Dunstable Once Again Triumphs at Anglia in Bloom Awards

Dunstable Town Council is very proud to announce that the town has once again been successful in the annual Anglia in Bloom Awards for 2017.

The 'Dunstable in Bloom' partnership has secured the following awards at this year's Anglia in Bloom Awards Ceremony held in Gorleston-on-Sea:

- 🌸 An overall gold medal for the town
- 🌸 A gold medal and **'Best in Class'** award for Dunstable Cemetery (*best cemetery in the Anglia region*)
- 🌸 A gold medal for Priory Gardens
- 🌸 A **'Best in Class'** award for Priory View (*best sheltered housing garden in the Anglia region*)
- 🌸 A bronze medal for the Glider Pub
- 🌸 Best in class nominations for Blows Down (*conservation area category*), Grove House Gardens (*public open space category*) and Joyce West and Andy Godly for best individual floral display

Commenting on this success, **Councillor Gloria Martin, Town Mayor of Dunstable**, expressed 'how proud and delighted she was to be representing Dunstable at the awards ceremony. This success is so very deserved by all the partners that took part in this year's Dunstable in Bloom campaign'.

The **Chairman of Dunstable in Bloom, Hugh Garrod**, who also attended the award ceremony said 'we are delighted to have retained our gold standard for the town with a sixth gold medal in eight years. Our community worked well together again in 2017 and we are very much looking forward to next year's campaign'.

**Dunstable Town Council's Town Clerk and Chief Executive, David Ashlee**, also commented that 'this year's success shows what a fantastic partnership has been developed in Dunstable over the past few years for the 'In Bloom' campaign. These awards not only demonstrate that Dunstable is increasingly becoming an attractive place to live and work, they also evidence the wonderful community spirit that exists in the town'.
